### **CW3 Extreme Coaching Announcement!!!**

The CW3 Extreme Club is proud to announce Bryan "Goose" Finnerty as our latest addition, assuming the role as the new U9 Boys Head Coach.

Bryan's professional career and coaching experience was instrumental in his former success as the Director of Coaching of the Canton Soccer Club. As a Walled Lake resident, Bryan has always been able to provide CW3 with sage advice as we grew from a very young club to where we are now.

With Bryan, holder of a USSF "A" license, National Youth Coaching license and a former ODP staff member, he is a very welcomed addition to our Club. We are very excited about adding him to our staff where he will continue the success of the U9 Boys age group.
