CW3 Coaches:

The injury reports included are important items. They are to be filled out in the case of an injury. We carry insurance through MSYSA that will cover some of the expense of an injury, i.e. the injured parties deductible. We must though, have this injury report filled out completely for us to be able to turn it in to MSYSA. Please follow the directions given and mail to CW3 Soccer Association P.O. Box 794 Walled Lake, MI 48390.

Thank you,
